Documentation Needed to Register with SDRC

- Certification of Disability (Available on <https://sdrc.ucr.edu/disability-documentation>) or
- An up to dated comprehensive evaluation (adult testing with adult norms) that meets the criteria of the UC Guidelines. IEPs and 504s are helpful in the interactive process of your intake meeting and are an indicator of having a history of accommodations; however, some of these documents are limited in the information provided.

Checklist for SDRC Registration

1. Complete an [online pre-registration](#) at least 2 weeks prior to the start of services being requested
2. Submit [disability documentation](#) to support your requested accommodation
3. Call 951-827-3861 or [click here](#) to schedule a meeting to meet with a Disability Specialist. Have your UCR ID number ready when you call or complete the appointment request form.
4. Meet with a Disability Specialist to initiate an accommodations plan (if applicable) and receive an orientation on how to access services.
